

TMH PARTNER WITH THE NAVY

**WE ARE HONOURED TO PARTNER WITH THE ROYAL NEW ZEALAND NAVY
AND THE HMNZS MANAWANUI AND CREW!**

In a multi-agency, multi-national collaboration with the Government of Tonga, New Zealand High Commission, New Zealand Defence Force, DHBs, & private companies we were able to collect & distribute thousands of kilos of much needed medical equipment to our friends in Tonga. The HMNZS Manawanui, on her way back from Exercise RIMPAC in Hawaii, did a non-contact stop in Tonga earlier this month to deliver the container in a COVID safe way. It was our first project with the navy and we are delighted it went so well. You can read more about it [here](#).
